

e-charge

E-charge Service by Electricity Authority of Cyprus

e-charge service is a service offered all over Cyprus, by EAC to electric vehicles users. Via this service the electric vehicle users have access to safe and reliable charging of their vehicle in Public areas where EAC has already installed charging stations.

How does anybody gain access to the e-charge service?

Charging is carried out exclusively through the e-charge application, while payment will be made only by bank card, which must be registered within the application. Instructions for registering your bank card within the application can be found on the e-charge web page:

<https://www.eac.com.cy/EN/NonRegulatedActivities/chargingstation/Pages/default1.aspx>

Prices and Charges for e-charge users

Tariff* including VAT

€0,42/kWh (Regular charging)

€0,45/kWh (Fast charging)

* The tariff cost based on the electricity cost.

* Note that for our partners charging stations the tariff may vary.

You can be informed for the current tariff from our website,
www.eac.com.cy
